

response to the Caller's communication, for providing an answer within 2 hours, or in other situations, scenarios, grants, or transactions. Alternatively, in a less preferred embodiment, the Receiver Party may charge or request the Merchant Intermediary to charge the Caller or Sender Party after the Sender or Caller Party has transmitted the communication.

[0066] The Receiver party benefits because he or she is enabled to receive electronic communication that a Receiver party may otherwise not receive, to determine and to set a price for receiving transmissions or directions of communication to the Receiver party's account, to sell and to market on a larger scale the right to access the Receiver party, to receive compensation for receiving communications or participation, to exploit a new
